MPINCC ACE 2018 Partnership Opportunities Descriptions Annual Conference & Expo

ACE Infinity Sponsor

Imagine your company or organization's name and logo attached to the award-winning MPINCC Annual Conference & Expo. As Infinity Sponsor, you will enjoy a premiere partnership position with this important industry event. See the list of benefits for all the details.

ACE General Session & Lunch Sponsor

Maximize your brand's exposure at ACE during the largest gathering of event attendees, the General Session and Lunch, through this premier sponsorship. You will be recognized prior to the keynote speaker and enjoy the opportunity to address the audience verbally and/or through video (up to 5 minutes total). A reserved table of 10 in a premium location is yours with this sponsorship. (Please note that all table guests must register for ACE separately.)

ACE General Session & Lunch VIP Table Sponsors

Reserve one of the tables of 10 closest to the stage for you and your guests at the General Session & Lunch. Table sponsors have the option to theme each table to their liking. Centerpieces are optional, but must be no more than 18" in height. Please note: All attendees must still register for ACE separately. This opportunity provides them a reserved seat at your table in a premium location.

ACE Breakfast Sponsor

Join co-sponsor Savor (Moscone's expert catering entity) to provide an enhanced breakfast for conference attendees on the third floor of Moscone West. Your brand will be one of the first attendees see as they get energized for a full day of education and networking.

ACE Coffee Break Sponsors

Did you know that 62% of Americans are drinking a daily cup of coffee in 2017, up from 57% in 2016? It's virtually a guaranteed audience at the coffee break area. Your logo will appear on signage at the a.m. and/or p.m. coffee break that you sponsor. And attendees will have eternal gratitude from attendees needing a caffeine boost in the morning or the afternoon.

ACE One-Hour Education Workshops

ACE is known for exceptional education and is what attracts planners to attend this event. Attach your brand to one or more of the education workshop and enjoy up to three minutes of podium time in front of attendees after you greet people as they enter the meeting room. Your logo/link will be on signage and associated with the workshop(s) of your choice on the event website and mobile app.

ACE Innovation Alley on the Expo Floor

Innovation Alley was successfully launched at ACE 2017 and returns this year to feature even more innovative products that are new to the industry. Some companies are seeking early feedback while some are ready to go to market. All Innovation Alley exhibitors are eligible

for the Most Innovative Product award at ACE 2018. Sponsor this unique feature of the expo floor and enjoy presenting the award to the winning company.

ACE Charging Stations

Get your name in front of attendees as they pause to charge up their devices throughout the day. Let the networking that happens at charging stations begin and end with *your* brand.

ACE Lanyards

This is an opportunity to have attendees wear your logo all day at ACE. And most attendees keep their name badges (and lanyards!) after the event so your brand remains in front of attendees beyond the event. Make a lasting impression with this sponsorship.

With this exclusive sponsorship, enjoy the visual impact of the full-screen experience. Image displays for up to 5 seconds before taking the user to the app menu. So much bang for your buck on this one!
